In July, the MOST QQS group (Quads, Quints, Sextuplets and More) gathered in Nashville Tennessee. The group attended the "Grand Ole Opry" along with many other tour groups, but MOST QQS was one of the very few to be recognized and announced: not once but twice!

Also Steve Wariner sang his Grammy award winning single "The Hand the Rocks the Cradle Rules the World" and dedicated it that night to all Mothers of Supertwins. Many heard this event live on the radio and it is still available for listening [online](#). Click on "Grand

Ole Opry" for July 15. The time index for the first announcement is 0:20:30 and 2:27:00 for the song dedication.

Do you have any baby footprints?

MOST is collecting newborn, infant, and childhood footprints for use in various in-house projects. If you have footprints of any of your children that you would like to share from birth and/or at birthdays (ages 1,2,3 or 4) MOST would appreciate you sending them to us at Maureen@MOSTonline.org .

One of the projects we are working on is creating a time line of foot prints ranging from 22 weeks gestation to 40 weeks gestation as well as an adjusted age of 1 month, 3 months, 6 months, 9 months, 1, 2, 3, and 4 years old. More than one set of footprints per infant and family are welcome

To submit footprints, please send the following information:

- Parents' name
- State
- Email
- Weight
- Birth date
- Gestational age or age of baby at the time the footprint was made

By submitting your prints you give MOST permission to use them in various venues such as, but not limited to, SUPERTWINS magazine and on the MOST website.
