The eBay Giving Works program is a great way to make a little extra money, clean out your closets, garages, & attics, and support **MOST** all at the same time. All you have to do is list an item on eBay and donate 10%-100% of the final sale price to **MOST**: one of eBay's 12,000+ certified nonprofits.

Giving Works listings:

-  Stand out from the crowd with a charity ribbon icon in search results
-  Attract new buyers and make current buyers even more loyal
-  Inspire buyers to bid up the price
-  Receive a tax-deductible receipt for your donations
-  Get a pro-rated fee credit when your item sells
