Supporting Multiple Birth Families...Every Step of the Way

10 Great Reasons to become a MOST Member!

1. Information

Your membership means MOST can continue providing families high-quality information like the [MOST's 500 page website](#), [parenting resources and books](#), and [Stories from the Heart Blog](#).

4. Advocacy

Your membership sustains [advocacy efforts and policy statements](#) that MOST creates on behalf of all multiples and their families.

2. Networking

Your participation on the secured [Family Support Forums](#)* not only provides support to you, but is also a wonderful gift to other parents who hope to benefit from **your** multiple birth experience.

3. Research

Your membership supports critical [research projects](#) used by researchers and medical professionals to find new ways to help families of higher-order multiples have healthy outcomes today and tomorrow.

5. Outreach

Without MOST members, outreach programs that help multiple birth families in need such as the annual [MOST Adopt A Family](#) and personal resource referrals, would simply not be possible.

6. Training

Your membership helps fund programs that [train volunteers](#) and [mentor local multiple support groups](#) so families expecting and parenting multiples receive quality support at the local level as well.

Make the most of your membership with these services!

7. MOST Blog

The [Stories from the Heart Blog](#)* is filled with both personal pieces and educational articles, so check them out and [submit your stories](#) and photos for consideration as an upcoming post!

8. Support

Get the support you need through our [MOST Volunteer program](#) by posting your questions on the [MOST forums](#), or by locating a [local parent of multiple support group](#) near you.

9. Events

Consider joining us at one of our next annual events like the [Annual Mothers of Multiples Gathering](#).

See you there!

10. Shopping

Don't forget to shop for items in the [Supertwins store](#) such as [parenting packets and books, articles](#), items sold through MOST affiliate programs, and more.

Supporting MOST... supports families of multiples just like yours!
